

Objective: To outline the basic steps for raising sail aboard a Trilogy vessel. This does not replace vessel specific training. Raising Sail is a continuous conscious effort. Always maintain communication with the captain. Ensure all actions at deck level are proceeding aloft as planned.

Procedure:

1. Confirm sail plan with Captain
2. Open Sail Bag
3. Reef According to sail plan
4. Free Halyard and make sure it is not twisted.
5. Ready lines at mast
6. Top-up boom with topping lift on captain's orders
7. Secure topping lift
8. Raise Main Sail with Halyard on Captains orders
9. Secure halyard once luff is properly tensioned.
10. Ready Furling line
11. Un furl jib according to sail plan
12. Secure furling line
